J.L. Gili's selection of Lorca's poems in Spanish, with his own unassuming prose versions as guides to the originals, first appeared in 1960. With its excellent introduction and selection it remains a perfect introductory guide to the great poet. The book is ideal for newcomers to Lorca who know, or are prepared to grapple with, a little Spanish. It influenced a generation of readers and poets, including Ted Hughes who first encountered Lorca through this book.
