New in the "one of a kind" ("Darque Reviews") "New York Times" bestselling series featuring Vampire Queen Betsy Taylor Betsy Taylor has problems that only a vampire queen/suburban wife could possibly understand. Such as taking the body of her werewolf friend Antonia-who died in her service-to Cape Cod, where she's not sure if the Wyndham werewolves will welcome her with fangs or friendship. Meanwhile, her posse back in St. Paul is sending frantic e-mails alerting Betsy to her half-sister's increasingly erratic behavior. Looks like the devil's daughter is coming into her own-and raising hell.
