Whitelines(R) is the new and innovative generation of writing paper. The paper is extremely easy on the eyes and can improve your reading and writing since there is no conflict between the lines and the pen. What you write down practically rises from the paper and becomes very clear. The principle is very straightforward but also very effective: on Whitelines(R) paper there are no dark interfering lines but instead . . . just white lines. Yes, it's that simple: dark lines distract; white lines don't. By new thinkers, for new thoughts. Whitelines(R), supporting your ideas. Improves reading and writing. Easy on the eyes with less glare.
