The story of one of sport's most amazing events--the Tour de France--is told in both words and images in this impressively vibrant pop-up history. Invoking the sense of freedom and adventure that cycling brings to people of all ages, this visual chronicle uses eight intricate, colorful 3-D scenes to illustrate the unique traditions, strategies, and heroism of the annual quest for the yellow jersey. Pop-up scenes tracing the development of the bicycle through history, a revolving wheel explaining the roles of various team members and racing officials, and a map of France that tracks the Tour's progress all encourage readers to embark on a journey of discovery.
