Love the vintage- not the ghosts Lily Ivory feels that she can finally fit in somewhere and conceal her "witchiness" in San Francisco. It's there that she opens her vintage clothing shop, outfitting customers both spiritually and stylistically. Just when things seem normal, a client is murdered and children start disappearing from the Bay Area. Lily has a good idea that some bad phantoms are behind it. Can she keep her identity secret, or will her witchy ways be forced out of the closet as she attempts to stop the phantom?
