Recipes for "little food" such as after-school snacks, breakfast, soups, and sammies go a long way in Broadhurst's clever "Ready, Steady, Spaghetti." Broadhurst makes cooking with kids easy and entertaining. Kids will fill up on fun and food with cool and exciting recipes like Spaghetti with Chicken Meatballs, Stir-Fried Chinese Vegetables, Moo Juice, Lemon Butterfly Cakes, Fairy Wands, Martian Cookies, Chocolate-Cherry

Spiders, and more. She even makes preparing (and eating) vegetables a treat. And the excitement doesn't stop there. There's also a party food section that will have kids celebrating. This is a kid's cookbook that will score with the big kids. * Feeds the imagination. "Ready, Steady, Spaghetti's" vibrant design and 300 color photographs will draw both kids and adults into the kitchen. Cute and affordable, "Ready, Steady, Spaghetti" will show kids how it's done in the kitchen with easy-to-follow recipes and step-by-step photos. * Includes 130 kid-friendly recipes from starters to not-too-serious main dishes. * Sections include: Little Food, Dinner Time, Eat Your Greens, Sticky Treats, Let's Party, and more.
