A perfect gift or self-purchase, this book provides fantastic cash-wrap, promo, and specialty retail opportunities during the golfing season (or all year...For those lucky folks who live where the golf season never ends). Golf is a lot like taxes. You drive hard

to get to the green, and end up in the hole. What should you do if lightning strikes during your round? Walk around holding a 1-iron, because even God can't hit a 1-iron.
