A RADICAL WAY TO DIE

When security specialist Duke Rogan’s state-of-the-art computer system fails at a controversial bio-tech firm, a raging inferno spreads, and a grotesquely charred body is discovered in the aftermath. With an extremist anti-technology group claiming responsibility, the case grows even more complex when the victim’s autopsy unexpectedly reveals that he bled to death. Heading the FBI’s domestic terrorism unit, Agent Nora English is fiercely determined to track and stop a sadistic assassin.
