This brand new Bible study series from beloved Bible teacher Kay Arthur and the teaching staff of Precept Ministries tackles important issues in brief, easy-to-grasp lessons you can benefit from personally or as part of a small group. Each book in the series includes six 40-minute studies designed to draw you into God's Word through basic inductive Bible study. As Kay explains, "Rather than simply reading or listening to what others say about a subject, you are going to see for yourself what God says about it." Join one of the world's most respected Bible teachers in a study that will revolutionize your thinking--and your life.

There are as many viewpoints, styles, and preferences about worship as there are people who worship. And the Bible says worship is something everyone does. So how do you know which approach is best? And how do you make sure the goal of your worship is appropriate?

This helpful study examines what the Bible says about true worship. You'll discover that we are created for the purpose of worship. And you'll explore solid, biblical principles for making worship a lifestyle of grateful response to your Creator and Redeemer.

Let Kay Arthur and Bob and Diane Vereen guide you into the rich scriptural truths about this important subject.
