Adapted from leading consumer protection expert Nancy Harvey Steorts' popular "Safe Living in a Dangerous World" (Capital, 2003), "Your Home Safe Home" takes you on a room-by-room inspection of a house with checklists of safety tips and things to watch for. Follow the advice on these pages to guarantee the safety of everyone in your family-from the youngest to the oldest. Pass it along to a new owner, or use it to judge whether you want to buy a particular house-based on its safety. As an added bonus, "Your Home Safe Home" gives tips for safe food handling, holiday celebrations, weather protection, even disaster planning.\* Includes "Home Safe Home Checklists"--a new selling tool for your home--for recording safety conditions ...or a buying condition for a new home\* Covers everything fire and electric safety to holiday, senior, and child safety\* Author is national spokesperson for safe products\* In the current real estate market, the safety of your home can be a real selling advantage. And for those who are looking to buy, and those who have chosen to stay, home safety is imperative.
