Jake and his younger brother Tommy are on their first camping trip. While exploring in the woods on Marsh Island, they lose their way. When the boys start to feel like they're not the only ones wandering in the woods, they begin to wonder if the story their dad told them about old Alfred Marsh and his lost fortune is true. Sonya Spreen Bates is a Canadian writer living in Australia. As a child, when she wasn't riding horses, she loved to read, daydream and scribble down short stories that she never dared to show anyone. Sonya has spent many years working with children with communication disorders. "Marsh Island" is her first book with Orca.
