Jojo's back, released from jail, and people are tense and afraid all over again. They wonder if his friends will start showing up again. They wonder if they'll be walking down the street one day and they'll run into Jojo and Jojo will give them attitude or shove them around, just for fun. Jojo's friends have a way of making it hard--really hard--on people who decide to press charges against Jojo. Those people just wish Jojo would go away and never come back. Then there are the people who have hate in their hearts. These people wish something bad would happen to Jojo. Something really bad.Ardell Withrow is one of those people. Norah McClintock is the author of a number of novels including "Tell, Bang, Snitch, Watch Me" and "Marked." Norah lives in Toronto, Ontario.
