On your mark, get set, go green Did you know that every person in the United States creates about five pounds of trash a day? Did you know that recycling one ton of paper can save 17 trees? Did you know that people in North America use more water than

any other people on Earth? If not, then welcome to "Ready, Set, Go Green " " "

Environmental awareness is everywhere in the media today. It is a huge concern for many adults, and this is impacting children as well. "Ready, Set, Go Green " explains current environmental topics in a way that students will understand. The goal is to increase students' sensitivity and concern about the environment while encouraging them to have fun at the same time. This book is filled with interesting facts and figures, fun activity pages, quick and easy tips, and project ideas. Features: Fun-Filled Activities Easy Tips and Project Ideas
