Hannah is hot Kids will love reading the book and singing into the "blinged-out" microphone, enabling them to put themselves right into the story and sing along with one melody or make up their own with two included riff beats. "Hannah Montana Awesome Adventures" contains four episode-based stories featuring everyone's favorite pop star and her friends. After reading the stories, use the cool, glitzy, removable microphone to amplify your voice. The microphone is pre-programmed

with the hit Hannah Montana song "Just Like You" as well as two rhythm riffs for sing-along fun. Comes with two double-sided pull-out posters, too
