Shani Hanna returns to Spencer Academy for her senior year after an amazing summer spent with her friends Lissa, Gillian, and Carly. But the best part about summer was meeting Danyel Johnstone. Danyel is cute, smart, cool, and super nice. All Shani has to do is get him to see her as more than just one of the gang.

But when the girls return to school, they find a new addition to the distinguished student body: Prince Rashid al Amir of Yasir, an oil-rich desert kingdom in the Middle East . Prince Rashid moved to California to prepare for an eventual MBA at Stanford . . . and to romance his future wife: Shani Hanna!

It turns out, Shani's family and the prince's go back for generations, entwined in tradition, obligation, and family honor. In each generation, members of the two families have expanded their business interests through arranged marriage. Will Shani put aside her feelings for Danyel to pursue her family's wishes? Or will God answer her prayers for an intervention?
