Ever wondered how to record using a click track or mix to a master deck in Pro Tools? How about wishing you had step-by-step guidelines, to get it done right and get it done quickly? In one convenient, easy-to-follow package, Pro Tools master Rob

Shimonski brings you the Pro Tools 8 Kit, a book and website combination that will take you through every step of the production process and all the tips, tutorials and tricks that pros use to create perfect recordings. The book has full color screen shots illustrating the tools, functions and the new look of Pro Tools 8, and the website walks you through creating a recording, from setup through bouncing down your final track. The Pro Tools 8 Kit covers more than just the software - it will help you make the most out of every recording session.

\* KEY COMMANDS - how to use them practically to create a professional session \*  
PRODUCTION FAQs - answers you need for common production specific problems \*  
METHODS - pro methods for successful recording and editing, including information on additional equipment and running smooth production sessions \* WEBSITE - training modules lead the reader through live Pro Tools sessions, highlighting topics such as recording, editing and mixing
