"The Jesus Book" introduces kids to the life, teaching, wonder, and amazing love of Jesus. Often kids know about Jesus but don't have a relationship with Him. This book offers kids "everything you need to know about God's Son" and encourages a lifelong relationship with their Lord. Divided into Who, What, Where, When, Why, and How sections, it offers clear explanations and easy understanding for young hearts. It will teach them things like who Jesus is: Jesus is God's Son, and He is also my friend. Where is Jesus? He lives in heaven, but He also lives in my heart. How does Jesus act? He acts with kindness and forgiveness, and He wants me to be like Him. Includes an audio CD with over an hour of songs about Jesus. This is a must-have for every child
