I hope you find your flip-flop self...A life in flip-flops is a cherry life (it's hard to take ourselvse seriously when our shoes make funny noises).It's a slow life(difficult to run in such flappy shoes).It's easy and sunny. It's a life as silly and sweet as the designs upon our feet...

作者介绍:

Since she was a little girl,Sandy Gingras has been doodling and writing stories,trying to figure out life's mysteries(her hero is still Nancy Drew).She lives in a happy cottage on the bay on an island in New Jersey with her almost-grown-up son anda wonderful golden retreiver and two ridiculous cats. You can read more about Sandy and what she does at www.how-to-live.com.
