A proven, easy-to-understandmethod for makingmoney with options "If you've never invested in the stock market, this is the book for you. If you've been investingfor years .. . this is still the book for you. A fantastic introduction to options." --Jon "DOCTOR J" Najarian, Co-founder, OptionMonster.com Spread trading-the practice of combining optiontrades and adjusting them over time-is being used successfullyby more and more professional traders. In this book, Greg Jensemshows nonprofessionals the tremendous advantages thissafe and profitable method offers. In simple and precise

terms, "Spread Trading" provides readers with all the essential tools to begin trading options. It explains, in nine simple steps, the basics of puts, calls, strike prices, and spreads-assuming no prior knowledge on your part-and tells how to profit no matter what the market does. The author has helped thousands of people achieve success implementing this approach, and with Spread Trading, he continues to educate individuals on the benefits of trading this way, showing you how to make money while reducing risk. Building his lessons around the entertaining story of two ordinary guys figuring out how to trade options with each other, Jensen offers more than dry formulas-he relates the sense and the intuition of trading options in a way that is simple, methodical, and easy to follow.

This is the book written for newbie. The writer spends nearly 300 pages to describe what Options are. As a matter of fact, it can be done in 5 pages. Totally waste of time and money.
