In Lori Foster's "Luring Lucy" all Lucy was looking for when she went to her holiday home was an innocent fling to quell the yearning she had felt since her husband died four years ago. She never expected her long time friend Bram to lure her into a love affair so hot. In Lora Leigh's "Cooper's Fall", former ranger turned bar owner Ethan Cooper never expected to get an eyeful of prim Miss Sarah Fox from his attic window one hot summer afternoon. But now his blood is on fire for the delicious little minx. In Cheyenne McCray's "The Edge of Sin", Zane Steele lives a life of extraordinary danger as a government agent and has never let anyone get too close. Then he sees the one woman who changes his life forever. And in Heidi Betts' "Wanted: A Real; Man", Mary left her high school sweetheart John, in search of a better life. Ten years later she needs his help as a U.S. Marshal to find her missing daughter...John's daughter. Reeling with the knowledge of a daughter he's never known, John sets out to claim what's his. This collection of sensual stories is sure to leave readers hot and yearning for more.
