Moon Spotlight Sonoma Valley is a 125-page compact guide covering California's Southern and Northern Sonoma region. Author Philip Goldsmith offers his seasoned

advice on what sights are must-sees and includes maps with sightseeing highlights so planning your time is easy. This lightweight guide is packed with recommendations on sights, entertainment, shopping, recreations, accommodations, food, and transportation. Helpful maps make navigating this idyllic region uncomplicated.

Moon Spotlight guides are affordably-priced, lightweight guides covering a smaller geographic region than Moon Handbooks or Outdoors guidebook series. The travel content in a Spotlight guide is pulled directly from individual chapters of larger Handbooks or Outdoors titles, with no introductory information (such as When to Go or Planning Your Trip), and no indexes. The results are compact guides to popular destinations that provide travelers with what they need to explore a specific locale in depth with fewer pages of very focused information.
