Moon Spotlight Maine's Southern Coast is a 90-page compact guide covering the world-famous southern coast of Maine, including Kittery, The Berwicks, The Yorks,

Ogunquit and Wells, The Kennebunks, Old Orchard Beach Area, and the state's cultural hub, Greater Portland. Author Hilary Nangle offers seasoned advice on what sights are must-sees, and she includes maps with sightseeing highlights so that planning your time is easy. This lightweight guide is packed with recommendations on sights, entertainment, shopping, recreation, accommodations, food, and transportation. Helpful maps make navigating this beautiful and spectacular destination uncomplicated.

Moon Spotlight guides are affordably-priced, lightweight guides covering a smaller geographic region than Moon Handbooks or Outdoors guidebook series. The travel content in a Spotlight guide is pulled directly from individual chapters of larger Handbooks or Outdoors titles, with no introductory information (such as When to Go or Planning Your Trip), and no indexes. The results are compact guides to popular destinations that provide travelers with what they need to explore a specific locale in depth with fewer pages of very focused information.
