Author of the extremely successful blog Stirrup Queens and Sperm Palace Jesters, Melissa Ford presents readers with a guide for navigating the complex world of infertility. The Land of If got its name not only because IF” is the abbreviation for infertility” in the online world, but also because there are so many ifs” inherent in being here. No stranger to the Land of If herself, Ford shares her hard-earned knowledge and insights, helping couples struggling with infertility understand the lingo, learn the details doctors tend to leave out, and keep their emotional sanity despite seemingly insurmountable obstacles. Navigating the Land of If gives the nitty-gritty on injections, rejections, biting your tongue during happy parent-to-be conversations, and trying not to cry over baby shower invitations. With chapters that include how-to’ s for same-sex couples, and present adoption or remaining child-free as plausible alternatives, Ford tells you exactly what you need to know, from one infertile to another.
