The latest Would You Rather installment is all-new, all thought-provoking, and exclusively for the feminine mind. Women are challenged with such questions as: "Would you rather... know what men are really thinking but not saying or what cats are really thinking but not saying?" "Would you rather... have every night out include a visit by the cast of The Hills or have every hangover include a visit by the cast of High School Musical?" and "Would you rather... have your ex come crawling back or have him crawl, literally, for the rest of his life?"
