British artist Anthony Palliser (b. 1949) is best known for his striking portraits of prominent figures from the worlds of art, literature, theater, and politics. His work ranges from a recent series of large-scale unadorned portrait heads to compelling

Lowcountry landscapes and carefully rendered, thoughtful figure studies. Palliser resides in Paris but spends a portion of each year in Savannah. This book is published in conjunction with a recent exhibition of the artist's oil paintings at the Telfair's Jepson Center for the Arts.
