著者:Clay, Kathryn

出版者:

出版时间:2009-7

装帧:

isbn:9781429636452

This book includes: step-by-step illustrated instructions; suggestions for extending each project; a Read More section; Internet sites; and a table of contents, glossary, and index. This book features fashion, faces, horses, flowers and other cool stuff for girls to

draw. It is designed specifically for girls with encouraging instructions for each project while illustrated examples show drawing skills that may be applied to all drawing projects.
