Dogs have long been man's best friend, but the Bug Man's friend is a rare breed . . . the cadaver dog. All roads lead to the White House for John Henry Braden, the charismatic senator from Virginia aristocracy whose beautiful wife Victoria is the talk of Washington and the crown jewel of Endor, her backwoods Virginia hometown. But when bodies turn up on Braden's property--the site of a multimillion dollar construction project he's spearheading--the senator's spin doctors, led by his future first lady, must act quickly to quell a conspiracy before it blemishes their presidential campaign. Enter entomologist Nick Polchak, the quirky bug expert enlisted to determine if the senator's bone yard is a forgotten cemetery or a crime scene. To help with the investigation, Polchak follows local legend to Alena Savard, a mysterious woman known for her ability to turn mongrels into the best search dogs around. They soon find themselves on the trail of a desperate individual bent on protecting a terrible secret. "Less than Dead" is an unforgettable tale of crime and concealment in the corridors of high-stakes politics--as well as in the deepest contours of the human heart.
