Loaded with hundreds of stunning photographs of high-end custom homes, these gorgeous books are a must for lovers of residential architecture as well as a resource for people planning to build their own one-of-a-kind houses. Harking from a very scenic and historic region of the United States, this beautiful collection also features the developers and builders behind them. Touring these fine residences, the architects candidly share their unique backgrounds, inspirations, and design philosophies, with a few spilling their best-kept secrets for turning dreams into reality.
