From celebrated artist Lora S. Irish comes a treasure trove of small and beautiful patterns for crafters of all mediums. Perfect for carving, woodburning, painting, quilting

and more, the patterns are provided in two detailed varieties: a line drawing for transferring and a shaded variety for illustrating depth and shadow. For new carvers Irish demonstrates the whole carving process from start to finish with a charming Country Apple Quilt Square project. She also explains the tools you'll need, the appropriate woods to use and how to achieve the appropriate levels of depth in a relief carving. The wildlife, botanical, mythical, landscape and corner designs can beautifully stand alone or be incorporated into functional and decorative items around your home.
