Farmer Brown sets out on a journey in his little red truck, picking up animal after animal--adding them one by one. The rollicking rhythm and rhyme of this great read-aloud keep the story humming along as the farmer picks up all of the farm animals and the animals who are roaming the countryside. Everything is all great fun,

but when the frogs jump on the little red truck, everyone gets stuck in the muck. Children of all ages will be enchanted to find out how Farmer Brown and the animals get back on the road.
