Chock-full of practical advice for teen and college age readers on everything from how to nail that first big job interview, avoid dangerous relationship mistakes and master the art of managing your finances, to circumventing the typical pitfalls of adjusting to the adult world, this valuable guidebook synthesizes a life's worth of wisdom into one engaging volume. The author, a self-made multimillionaire who did learn the hard way offers to young people what he wishes someone would have given him when he was starting out--a no-nonsense blueprint for personal and professional success. Told with self-deprecating humor and grace, this book is never preachy and features irresistible self-discovery quizzes that guide young readers to deeper self-understanding.
