This elegant kit contains all the tools beginners need to learn the expressive art of watercolor, including paints, a palette, a selection of brushes, and watercolor paper. Inside the 40-page guide, artist Joseph Stoddard shares the secrets to his lively, energetic painting style and encourages readers to find their own artistic voice. The book offers a selection of step-by-step projects that both teach and inspire--from an Italian landscape and a colorful cityscape to traditional still lifes. Aspiring artists will also find tips on techniques, using photo references, and making the most of their color palettes.
