Now with *Alchemy of Abundance*, Jarow invites us to use this ever-present energy to catalyze change in our relationships, our creative pursuits, our financial well-being, and more. Working with 12 specific chambers of abundance, readers learn to focus their passion and desire to create immediate changes in their lives. From friendships to

romantic love, from material wealth to spiritual aspirations, Jarow shows how personal abundance is deeply influenced by the world around us, and how intention and emotions work together to transmute the base metal of a stagnant life into the gold of inner fulfillment and measurable success. Drawing upon more than 25 years of practice, study, and teaching in the worlds spiritual traditions, Jarow offers a rich universe of archetypes that leads the way to a visionary encounter with our deepest desires and potentials. In-depth diagnostic practices and meditations provide a daring exploration of each of the 12 chambers, awakening readers to what is truly calling for attention in their lives.
