Hope is here. In The 7 Great Prayers , authors Paul and Tracey McManus show readers a simple and powerful way to attract blessings into their lives through the power of praying the 7 Great Prayers. These life-changing prayers provide strength and inspiration to help readers overcome life’ s challenges, including:

- Health Concerns

- Relationship Problems

- Finding a Purpose in Life Paul and Tracey originally created the 7 Great Prayers in response to their own financial and personal challenges. In the wake of the dot-com bust—they had no jobs, their savings had evaporated, and they were losing their home. One sleepless night, they prayed a simple prayer that focused on their blessings rather than on all they were losing and had lost. This prayer of gratitude was life-changing. Newly inspired, they created six more simple prayers that helped to attract new blessings into their lives. They gathered the prayers into a powerful book, The 7 Great Prayers . Eager to share their newfound hope, Paul created a simple Web page about the 7 Great Prayers. Soon over 20 million people from across the globe visited this Web site. As word spread, Paul and Tracey received orders from 163 countries for their originally self-published book. These powerful prayers gave hope to people of all nationalities and faiths, kept them positive through difficult times, and deepened their love for life. And thus, the grass roots phenomenon that is The 7 Great Prayers was born. Now The 7 Great Prayers is here to do the same for readers as they find inspiration in its pages today.
