Crystal Vixie grew up near the small towns of Viking and Newfolden, Minnesota. She grew to adulthood amongst a family of readersaher parents, Dale and Anna Vixie, and her older brother Chris, along with several aunts who were all interested in a wide variety of books. While taking notice of what stories and genres they were all interested in, Crystal always thought about giving them a book to read of her own. A dream she had one night consisted of a woman who was haunted by a man who once resided in a hospitala] and Christineas Asylum was born.
