In artist Carolyn Shores Wright's follow up to her popular "Little Messengers of Hope", remarkable, colorful hummingbirds and flower blossoms deliver hope and comfort alongside uplifting quotes and verses. This gift of reassurance gently reminds readers of the big and small miracles that reveal God's presence and peace when they need it most. Sized and priced nicely for giving, this bouquet of encouraging words and inspired paintings will soothe and console anyone facing a difficult time of loss, transition, or uncertainty.
