The Warning as you enter the Ranting Teacher's website most definitely applies to "Everything you Need to Know to Survive Teaching: 2nd edition" too. A fully up-dated collection of the nation's top teaching rants, "The Ranting Teacher" finds solutions to the issues that really bother teachers - from controlling behaviour, wising up to kids' excuses and coping with extra-curricular activities, to dealing with parents, curing hangovers and impressing the inspectors.
