"The Commonwealth Ministers Reference Book" is an essential source of information on key aspects of policy issues for all Commonwealth ministers, from trade to transport. It includes articles, case studies, partnership initiatives, interviews and reports that inform and educate ministers, regarding opportunity and potential in the Commonwealth. A set of ministerial briefings provide short updates on key issues of concern to all ministers, whatever their particular portfolio. The book also includes contact information for all Commonwealth ministers, with 40 pages of relevant contact details listed. This is an essential publication for ministries, government officials and libraries.
