This title is packed with inspiring advice based on true-life stories that show teens how to lead a positive and fulfilling life. Filled with practical and motivational advice, as well as inspirational true-life stories, this great volume is a must-have for teens everywhere who want to take control of their life, fulfill their true potential, and become everything they aspire to be. "Success 101 For Teens" looks at the seven most important traits and characteristics teens need to live a positive, fulfilling life - determination, responsibility, confidence, love, persistence, dreams, and attitude - and how to incorporate them into everyday life.
