This title is suitable for children of ages 0 to 6 years. Featuring adorable and diverse children with Down syndrome on every page, and many of their siblings too, these chunky, sturdy books are perfect for youngsters who are ready to start learning their colours and ABCs. "Kids Like Me...Learn Colors" teaches primary colours, plus orange, green, purple, pink, brown, black, white, silver, gold, grey, and a multi-colour rainbow. Every page features a child with Down syndrome wearing a shirt and playing with an object of the same colour, photographed against a crisp, white background. Borders contain the word for English and Spanish. After all, it's never too early to start bilingual education!
