50 Hikes in the Sierra Nevada charts the thousands of miles of trails crisscrossing the Sierras' pine clad slopes and stark, treeless mountaintops, that make this region a hiker's paradise. Including the perfect mix of classic Sierra treks and lesser-known routes, the author has focused on the most scenic destinations. The guide provides comprehensive, step-by-step directions for each hike and offers a glimpse into the natural and human history of the area. In addition, each chapter includes an up-to-date topographic map, directions to the trailhead, distance and elevation data, hike difficulty rating, and pertinent contact information. 101 black-and-white photographs and maps throughout
