Get off on the right foot Join the animals in their foot-frolicking fun running, jumping, leaping, and hopping and then resting, just like the critters and creatures featured in Kimberly Hutmacher's Paws, Claws, Hands, and Feet. Go along on the exciting dream journey from morning to night, using hands and feet just like squirrels, monkeys, rats, spiders, frogs, penguins, elephants, lions, kangaroos, pandas, and eagles. Travel to the lush jungle, the African savannah, Australian outback, and to the frozen Antarctic.

Finally, as the sun sets, snuggle beneath the covers and snooze, with recollections of animals at play, inspired by the imaginative illustrations of Sherry Rogers. After all, even the wild things need some time to rest after a day of fast-footed play
