Write the greatest story ever--yours If you've ever wanted to write down your life story, but never found the time or the confidence, this book is for you. It will help you to find a style that suits you, to collect and structure all the information you need, to plan your story and discover your voice. There are lots of practical tips and reassuring advice if you're feeling daunted, and there is a complete list of all the options available for publishing your book.
