Sean is a drifter who is working as a building laborer and waiting for something to happen in his life. When he is offered easy money to tail someone and even more easy money to dispose of him, the prospect of some adventure and fast cash is extremely tempting. Sean doesn't even know the man, and there's no chance of being caught. Soon, however, it becomes apparent that he is caught in an intricate plot, and there doesn't seem to be any easy means of escape.
