What is it like to be a medium? Now is your chance to learn from a pro! With wit and candour, intuitive coach Jodi Livon shares the hard-won wisdom she's acquired on her fascinating journey as a psychic medium. Over the years, Livon has helped clients, friends, family, and the dead find healing and learn life lessons. These true and incredibly touching stories not only illuminate spirit communication, but also offer guidance on tuning in to your own intuition. By relating how she receives and interprets psychic impressions, Livon shows firsthand how the psychic process works. With tips on trusting your senses, maintaining emotional balance, staying grounded, and interpreting signs from the universe, "The Happy Medium" can help you ignite your natural intuitive insights for higher awareness and guidance in life's decisions.
