This book offers a simple, concise and elegant way to hit the ground running and learn about wine tasting. Here's an easy way for everyone to develop their wine tasting skills. Available in three versions: a hardcover notebook, a softcover notebook and a pocket guide, these guides are a mini-tasting course in three parts: Wine Tasting Terms - builds your wine tasting vocabulary with brief explanations of wine flavors and faults; How to Take a Wine Tasting Note - walks you through the fundamentals of wine tasting; and, Wine Note Forms puts the repetitive parts of a note in convenient multiple choice for pros as well as acting as training wheels for beginners. The notebooks are elegantly bound in black with the words "Wine Notes," embossed in gold on the cover.

The hardcover notebook has 'spill proof' wine tasting terms pull-out. The softcover has removable wine tasting term reference sheet. The pocket guide; 'ultimate wine tasting cheat sheet'; includes Wine Tasting Terms and How to Take a Wine Tasting Note in a compact, spill-proof guide. It is printed on plastic paper with protective cover.
