"From a formidable new voice in suspense fiction comes an edge-of-the-seat story of a homicide detective on the trail of a killer, who slays with exacting precision, and who harbors a terrifying motive" Detective Sergeant Michael McCabe moved from New York City to Portland, Maine, to escape a dark past: both the ex-wife who'd left him for an investment banker, and the tragic death of his brother, a hero cop gone bad. He sought to raise his young daughter away from the violence of the big city . . . so he's unprepared for the horrific killer he discovers, whose bloody trail may lead to Portland's social elite. Early on a September evening, the mutilated body of a pretty teenaged girl, a high school soccer star, is found dumped in a scrap-metal yard. She had been viciously assaulted, but her heart had been cut out of her chest with "surgical precision." The very same day a young businesswoman, also a blonde and an athlete, was abducted as she jogged through the streets of the city's west end. McCabe suspects both crimes are the work of the same man---a killer who's targeting the young---who is clearly well-versed in complex surgical procedures, and who may have struck before. Just as the investigation is beginning, McCabe's ex-wife reemerges, suddenly determined to reclaim the daughter she heedlessly abandoned years earlier. With the help of his straight-talking (and, at times, alluring) partner, Maggie Savage, McCabe begins a race against time to rescue the missing woman and unmask

a sadistic killer---before more lives are lost.
