著者:Carlos Fuentes

出版者:Real Academia Espanola

出版时间:2008-11-30

装帧:Hardcover

isbn:9788420422503

Fuentes's masterpiece, "La region mas transparente" is credited with influencing not only Fuentes' subsequent work but also that of his contemporaries. This novel is, without a doubt, the first grand urban novel about post-revolutionary Mexico. 40th anniversary commemorative edition.
