When she died, Christine O'Gara left behind a fragile, fractured family--estranged, embittered and at odds over custody of her only child. But in time, they'll see that Christine's legacy is strong enough to finally give a young girl the father she deserves. Cora, Christine's mother--No stranger to loss, she's desperate to do right by her daughter and she'll fight with everything she's got. Lexie, Christine's daughter--Torn between grief and rage at the thought of living with the man who abandoned them, she's planning revenge. Alex, Christine's ex-husband--Never truly believed in his own worth...or understood what Christine saw in him. He'd tried to return to her, but he'd been turned away. Only now can he come back and prove Christine right. We can't choose our family. We "can" learn to deserve the love we crave from them.
