A lie is a type of deception in the form of an untruthful statement with the intention to deceive, often with the further intention to maintain a secret or status, or to avoid retribution.

Here's a book you should have read before you got deeply involved with your partner. In this book you will find the secrets of what he really means and what she really means to end your relationship. Secrets and lies that men and women tell each other are revealed in this book. Have you ever asked yourself... Why men and women say one thing and mean something else Why your partner talks a lot about a coworker Why did your partner lie about cheating on you How to recognize that your partner is cheating on you When you need to hear what he or she is really saying Why did your partner end the relationship Why your partner stopped having sex with you Why your partner's work schedule keeps him/her out later than usual How do you know if your partner is lying to you? This book opens up the door to new insights that you may not be aware of...enjoy. 1007 Secrets: Men Lie, and Women Lie too. What He Really Means and What She Really Means...
